- Creating engaging poster designs for Instagram and various social media platforms.
- Actively participating in teamwork to develop innovative creative concepts.
- Responsible for recording and editing videos for Instagram and social media content.

Social Media Designer (Commet Kreasi Indonesia) **July 2022-Oct 2022**

- Designed visual content for publication on Commet Kreasi Indonesia’s social media platforms.
- Edited promotional videos for SPG Commet Kreasi Indonesia and uploaded them to the company’s social media channels.
- Created recruitment promotion designs for SPG and published them on Commet Kreasi Indonesia’s Instagram account.

Graphic Design And Video Recording Support(Terra) **July 2022 - Oct 2022**

- Designed promotional posters for Terra, focusing on property marketing.
- Edited recorded videos for social media content, including property promotion materials.
- Operated a camera to record videos for Terra’s social media content with a focus on property marketing.

2D Animation And Video Editor (TEFA) **2021-2023**

- Designed 2D school-themed illustrations, similar to textbook layouts, for use in animated school introduction videos.
- Produced and animated 2D videos for school promotional purposes.
- Created 2D character designs for animation in Adobe software.

Volunteer React Day (PPIM UIN JAKARTA) **August 11 - August 23**

- Supported the design team by editing event cards and promotional videos for Instagram (PPIM UIN Jakarta).
- Created engaging and entertaining content to boost audience interaction on social media.
- Collaborated with the team to develop the eco-friendly game “Pin n Win” using recycled materials as part of environmental education.
- Assisted in event execution during React Day by managing booths, facilitating the interactive “Tree of Hope” activity, and coordinating tasks with fellow volunteers.
- ontributed to the overall success of the event, raising environmental awareness and encouraging active participation from attendees.

Volunteer PKKMB Universitas Gunadarma **22 September 2025**

- Provided on-the-spot assistance and answered inquiries from new students regarding schedules and locations.
- Helped students navigate the campus and locate important facilities like the library, clinic, and administrative buildings.
- Assisted in distributing orientation materials and refreshments to all participants.

Film Production (Peradox Picture) **2025 - Until Now**

- Edited recorded footage to enhance storytelling and visual flow.
- Assisted the camera department in achieving effective and creative angles.
- Supported the lighting setup to ensure proper exposure and cinematic atmosphere.

Koraksi (Visual Production) **2025 - Until Now**

- Designed and edited visual content for Koraksi Instagram feed.
- Produced a motion graphic animation featuring an opening envelope effect for Instagram Stories.
- Collaborated with the team to develop scalable design assets and templates for long-term use.

Laboratory Assistant (HPC Gunadarma) **2025 - December 2025**

- Assisted students encountering login errors and resolved scheduling conflicts for lab sessions.
- Managed student inquiries and disseminated important information through a live chat channel.
- Guided students through coursework difficulties and coordinated remedial or retake sessions.

Volunteer Staff Koraksi Edutrip **2025 - Until Now**

- Coordinated and supervised a team of volunteers, ensuring all team members were aligned with the event's objectives and maintaining smooth operational flow throughout the trip.
- Facilitated the successful completion of field missions assigned by the organizers, guiding both volunteers and participants through challenges while ensuring educational goals were met.
- Ensured the safety, well-being, and engagement of volunteers and children, proactively managing group dynamics to maintain a secure and positive environment.
